By accessing the services provided by the Casino, you acknowledge that it is solely your responsibility to ensure that you are familiar with and comply with the laws and regulations concerning online gambling in your jurisdiction before engaging with the Casino.

Changes to the Terms & Conditions

The Casino retains the right to alter these Terms & Conditions at its discretion. Any such changes will be communicated to players ahead of time before they are implemented.

Players are strongly advised to regularly review the Terms & Conditions page to stay informed about any updates.

Eligibility to Play

The Casino will only accept players from countries or regions where online gambling is explicitly permitted by law. It is your sole responsibility to verify whether online gambling is legal in your jurisdiction before creating an account or placing any bets.

The Casino will only accept players who are at least 18 years of age or the legal age for gambling in their country of residence, whichever is higher. The Casino reserves the right to request proof of age from any player and may restrict access to the website or suspend a player's account if the age requirement is not met.

Game Availability

Certain games may be restricted in specific jurisdictions due to the policies of game providers. Players who attempt to bypass regional restrictions using VPNs or other similar methods will be in violation of the terms, and any winnings obtained through such actions will be forfeited.

A comprehensive list of countries where games like NetEnt, Street Fighter, and others may be unavailable is provided. Additionally, players from certain countries are not eligible to win jackpots in specific NetEnt games.

Players from Canada are prohibited from engaging in games provided by the NYX gaming platform.

Accepted Currencies

The Casino accepts the following currencies for both deposits and withdrawals: GBP, EUR, USD, CAD, AUD, TRX, BCH, XRP, USDT, DOGE, LTC.

Taxes and Fees

It is your responsibility to cover any fees, taxes, or financial obligations that arise from your winnings in accordance with the laws of your country of residence.

Game Rules

Players must ensure that they understand the rules of each game they choose to play. It is also recommended that players familiarise themselves with the theoretical return-to-player (RTP) percentage for each game before participating.

Disclaimer of liabilities

By accepting these Terms and Conditions you confirm your awareness of the fact that gambling may lead to losing money. The Casino is not liable for any possible financial damage arising from your use of the Website.

The Casino is not liable of any hardware or software defects, unstable or lost Internet connection, or any other technical errors that may limit access to the Website or prevent any players from uninterrupted play.

In the unlikely case where a wager is confirmed or a payment is performed by us in error, the Company reserves the right to cancel all wagers accepted containing such an error, or to correct the mistake by resettling all the wagers at the correct terms that should have been available at the time that the wager was placed in the absence of the error.

If the Casino mistakenly credit your Player Account with a deposit, bonus or winnings that do not belong to you, whether due to a technical issue, error in the

paytables, human error or otherwise, the amount and/or the winnings from such bonus or deposit will remain the Casino property and will be deducted from your Player Account. If you have withdrawn funds that do not belong to you prior to us becoming aware of the error, the mistakenly paid amount will (without prejudice to other remedies and actions that may be available at law) constitute a debt owed by you to us. In the event of an incorrect crediting, you are obliged to notify us immediately by email.

Our general terms and conditions, as detailed on this website, constitute the binding agreement between spinshark.com and its users. Any information or guidance provided by our customer support team is intended for assistance and clarification purposes only and should not be interpreted as a modification or waiver of these terms. It is the user's responsibility to carefully review and adhere to the terms and conditions governing their interactions with www.spinshark.com

In the event of any inconsistency or conflict between the advice of our customer support team and the terms and conditions on this website, the general terms and conditions shall always prevail.

Furthermore, please note that in case of any discrepancies or mistranslations between versions of these terms in different languages, the English version shall take precedence.

Player Account Use

Players are only permitted to maintain one personal account. Creating multiple accounts will lead to the suspension or termination of all accounts involved. You must not grant third parties access to your account, including minors.

Any winnings or bonuses obtained through duplicate accounts will be reclaimed by the Casino.

The website is intended for personal use only, and players are prohibited from using the site for any commercial gain.

Anti-Fraud Policy

The Company has a strict anti-fraud policy and utilizes various anti-fraud tools and techniques. If a player is suspected of fraudulent actions, including but not limited to:

The Company reserves the right to terminate the player's account and suspend all payouts.

This decision is at the sole discretion of the Company, and the player will not be notified or informed of the reasons for such actions. The Company also reserves the right to notify the relevant regulatory authorities of the fraudulent actions.

The Casino has zero tolerance for advantage play. Any player attempting to exploit casino welcome offers or other promotions agrees that the Company reserves the right to void bonuses and any winnings obtained from such bonuses due to:

To verify a player's account, casino management may require documents (ID, payment system details, utility bills, etc.) in the Latin or Cyrillic alphabet. If a player cannot provide documents in these alphabets, the Casino reserves the right to request a video verification where the player presents their documents.

The Casino reserves the right to withhold payments if there is suspicion or evidence of system manipulation. Criminal charges may be filed against users who manipulate or attempt to manipulate the casino system. The Casino also reserves the right to terminate or modify any games or events offered on the Website.

Any deposit has to be wagered 3 times (player must place bets three times of their deposit amount) before the withdrawal of funds connected to this deposit is available. Otherwise the Casino has a right to charge a fee for the processing of deposit and withdrawal, which is at the sole decision of the Casino.

Due to this fact, in case you transact in other currencies, the amount deducted from your credit card may be insignificantly higher than displayed at the time of transaction due to currency conversions on the side of your bank and/or the Casino's payment processing system.

All Bank Transfer payouts are processed within 5-7 banking days. Please mind that you will not be able to request a Bank Transfer for USD payouts.

Refund Requests: Refund requests must be made within 24 hours of the transaction or within 30 days if another individual accessed the user's account.

Refund Processing: Credit card refunds will be processed up to the total amount deposited. Excess amounts beyond the deposited amount will be paid via alternative methods. Users are responsible for any costs incurred during the refund process.

An account will be considered inactive if there has been no login activity for a period of 12 consecutive months. The fee will continue until the balance is exhausted or the account is reactivated.
